PROFESSIONAL SUMMARY

Motivated and detail-oriented BCA graduate with hands-on experience in Java, Spring Boot, and web development. Skilled in developing REST APIs and backend systems through academic projects, with a strong foundation in problem-solving and database management. Eager to contribute effectively to real-world applications and grow in a professional IT environment.

CAREER OBJECTIVE

Seeking an entry-level IT position where I can apply my technical skills, gain practical experience, and contribute effectively to the organization while continuously learning and growing.

TECHNICAL SKILLS

- **Frontend Development:** HTML, CSS, Bootstrap, JavaScript, React.js.
- **Backend Development:** Java, Spring Boot.
- **Databases:** MySQL, Oracle.
- **Web Technologies:** REST API, AJAX, JSON.
- **Tools & Platforms:** VS Code, Eclipse, Postman, Git, GitHub.

PROJECTS

DriveEase – Car Rental System

Project Purpose: Built to simplify and digitalize the car rental process for better user experience.

Technologies: Java, Spring Boot, MySQL, REST API.

Role & Responsibilities:

- Developed backend using Spring Boot.
- Designed and implemented REST APIs.
- Integrated MySQL database for efficient data management.

Challenges & Solutions:

- API errors → solved using proper request-response handling.
- Database connection issue → solved using correct configuration.
- Data validation problem → handled using backend validation.
- Ensured efficient data handling and improved system reliability.

EDUCATION

Master of Computer Applications (MCA): Pursuing (2024–2026)

Anantrao Pawar College of Engineering & Research (APCOER), Pune.

Bachelor of Computer Applications (BCA): 66% (2021–2024)

Art Commerce and Science College, Sonai.

CERTIFICATES

- **Introduction to SQL:** Simplilearn (Covered SQL queries, joins, and database concepts.)
- **Java Programming for Beginners:** Simplilearn (Covered OOP concepts, Java basics, and problem-solving.)

CAREER GOALS

- **Short-Term Goal:** Contribute effectively to your organization while enhancing my technical skills.
- **Long-Term Goal:** Grow within the company and take on higher responsibilities.
